

--POSTER-- TONY AWARD WINNING MUSICALS

Grades
6-12

DramaMommaspeaks

Dear Teacher:

Thank you for choosing this product!

This poster has nearly every musical which has won the Best Musical Tony award. (The only reason they it doesn't include every winning musical is because I just ran out of space!)

Make copies of this poster for your students, post in the classroom or use when to show at the beginning of a musical theater unit or one of my Broadway musical theater units. You can find a bundle of them at:

<https://www.teacherspayteachers.com/Product/Bundle-Drama-Lesson-Broadway-Musical-Lessons-A-to-L-5667717>

Or if you are looking for individual lessons, my theater artist biography and one pager assignments would work well with this poster. This one is [FREE: Black American Actress and Singer Audra McDonald](#)

Lastly, please review this product. I read your review and try to take into consideration your suggestions so they are important to me. You can review it at:

<https://www.teacherspayteachers.com/Store/Dramamommaspeaks>

It was recently brought to my attention that Ground Hog Day did not receive any Tony awards, however it was nominated for several. I'm sure you'll excuse me if I don't remake this poster.

Thank you again.
