Name: _____ Class: _____

Title of Clip or Reel: _____

■ Directions

Watch or listen carefully to the clip. Pay attention to all the sounds—voices, music, background noises, and effects. Then reflect on how those sounds shape the story and characters.

Part 1 – Listening Closely

1. List five distinct sounds you noticed in the clip.

1. _____
2. _____
3. _____
4. _____
5. _____

2. Which sound stood out the most to you? Why?

3. What emotion or atmosphere did the sounds create?

Part 2 – Thinking Like a Sound Designer

4. Which sounds were probably recorded naturally, and which were created or edited (foley, layering, or effects)?

5. How did the voices and sound effects work together to tell the story?

6. If you could remove one sound, what would happen to the scene?

7. If you could add one new sound, what would it be, and why?

Part 3 – Reflection

8. What did you learn about how sound design brings characters to life?
